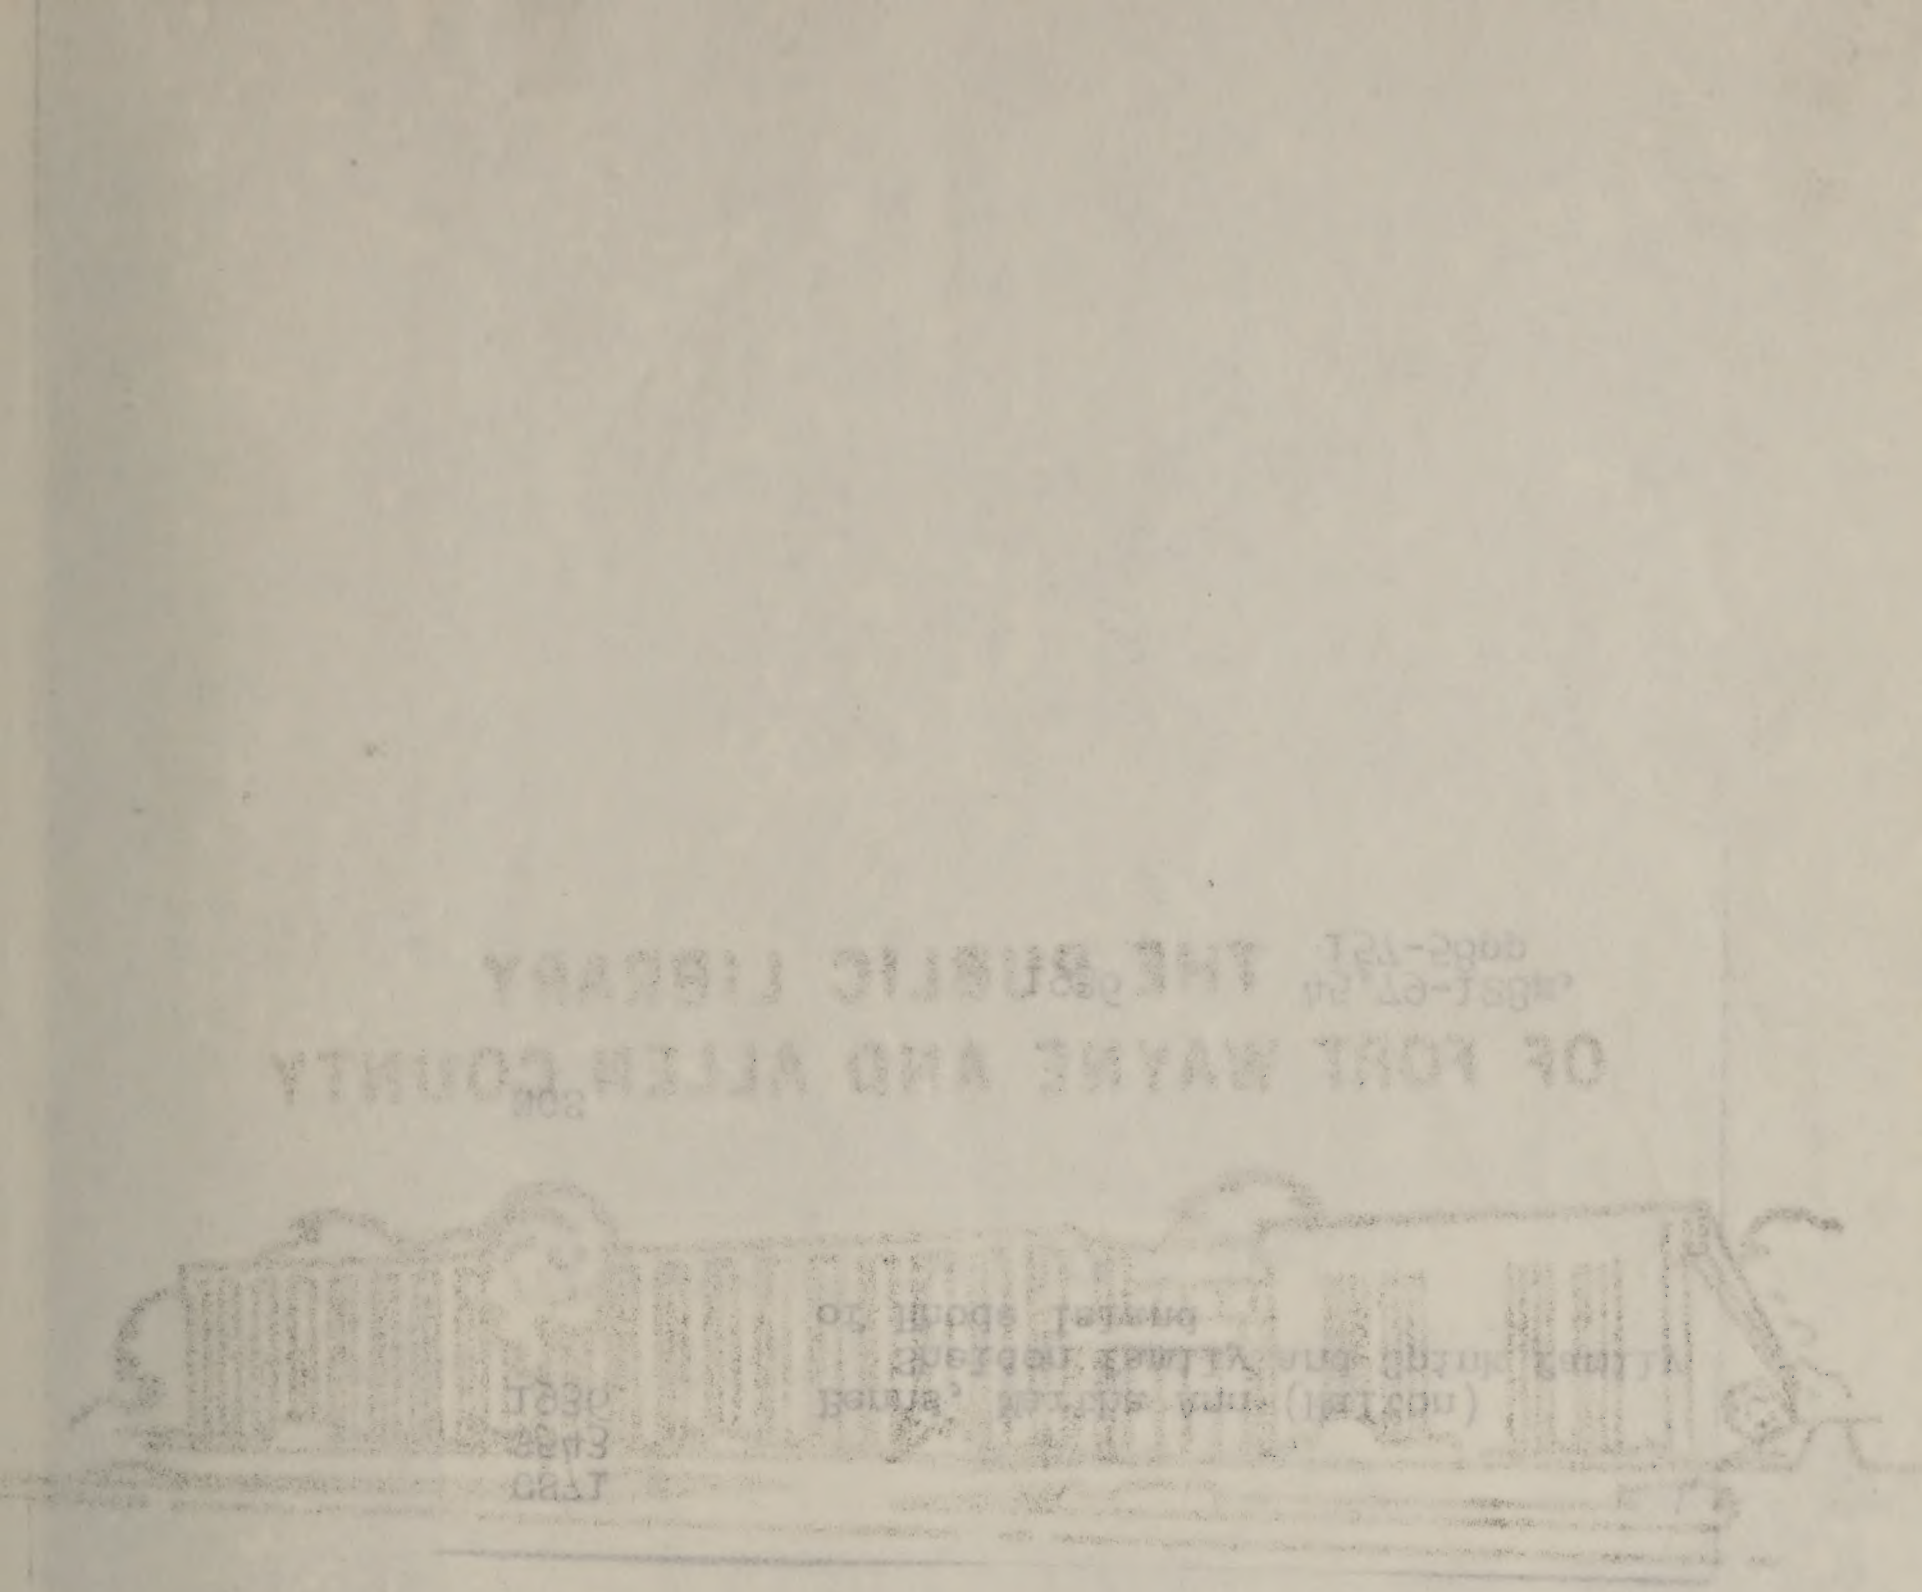
NGS

1936 45,79-128pp, 157-58pp



This book contains partial genealogies of the Sheldon and Spink families of R. I.

Although not complete, they offer valuable clues and dates concerning these families.

To use these records, find the name you know, if possible. The father's name is above and at the left is the number of the page on which the children may be found.

Other records of these families may be found in larger books in the D. A. R. Library viz the cemetery records and wills, deeds etc. collected by Mr. & Mrs. Benns.

In this book,
